Technology Center 2100

Applicants respectfully request consideration and entry of the following amendment  
submitted in response to the Office Action dated March 17, 2003 and made final.

IN THE CLAIMS

1. (twice amended) A method for determining candidates to interview, said method  
comprising the steps of:

providing pre-determined desired qualities for a candidate, the desired qualities include at  
least two of analytical ability, self-confidence, initiative, change orientation, and interpersonal  
skills;

generating a database including at least one characteristic for each individual;

normalizing the characteristics, normalizing includes comparing the at least one  
characteristic to a related pre-determined desired quality, and assigning a value to the at least one  
characteristic based on the comparison;
